1973 Manual to 2009 Manual Crosswalk

Please note that this listing is presented by course. If you have received a Version 3.0 CFedS Study Guide, this crosswalk will be helpful in making the connection back to the 73 Manual. The new patch will include an update to the videos, so that if an instructor says Section 5-25 and it is now 7-25, a pop-up will be displayed on screen as shown in the example below.

The new study guide (version 3.0), has the references included in the content. Here is a list of the reference changes from the 73 Manual to the 2009 Manual.

The icon to represent the study guide no longer says 1973. It has been changed to say 2009
